Your information

'We', 'us' and 'our' refer to HSBC Bank plc and 'HSBC Group' means HSBC Holdings plc, its subsidiaries, associated and affiliated companies.

Credit Reference Agencies

We may share information with credit reference agencies (CRAs) to verify your identity and suitability for an account. This will include the use of information from the Electoral Register and other public sources.

If your application is for a current account or credit we may use details of your credit history record with the CRAs to assess your ability to meet your financial commitments. We may also share details of how you manage any current accounts or borrowing from us with CRAs. The CRAs will record details of your application which will form part of your credit history whether or not you proceed and if you make several applications for credit within a short period of time, this may temporarily affect your ability to obtain credit.

If we make demand for repayment following any default by you and you fail to repay the sum due in full or make (and adhere to) acceptable proposals for repayment within 28 days, then, provided if there is no genuine dispute about the amount owed, we may register the default with the CRAs. The registration of a default notice may affect your ability to obtain further credit.

If your application is for a joint current account or borrowing an "association" linking your financial records with those of your fellow applicant(s) will be created by the CRAs. The credit history of your "associates" will be taken into consideration in any future application for credit. The "association" will continue to link your credit histories unless and until you successfully file a "notice of disassociation" with the CRAs.

Crime Prevention and Debt Recovery

To prevent crime, to verify your identity and to recover debt, we may exchange information (both within the UK and, where appropriate, overseas) with other members of the HSBC Group, and, where appropriate, with fraud prevention and debt recovery agencies and other organisations including other lenders.

If you provide false or inaccurate information and we suspect fraud, we will record this.

Information held by fraud prevention agencies may be used by lenders and insurers when making decisions about you or others at your address(es) for credit-related services or motor, household, credit, life or any other insurance facilities and for debt tracing, claims assessment and to prevent fraud and money laundering.

Data Processing

The HSBC Group may record, exchange, analyse and use relevant information about you and your relationships with the HSBC Group (including the nature of your transactions) for credit assessment, market research, insurance and administrative purposes. This may include information provided by you, or someone acting on your behalf.

Relevant information may also be exchanged with members of the HSBC Group and others, for audit purposes and if required by appropriate governmental and non-governmental regulators or ombudsmen.

We may use other HSBC Group companies and/or third parties to process information and provide services on our behalf.

Whether it is processed in the UK or overseas, your information will be protected, in accordance with data protection legislation, by a strict code of secrecy and security which all members of the HSBC Group, their staff and any third parties are subject to and will only be used in accordance with our instructions.
